

# JAYNE BOARDMAN

---

## Stained Glass & Mosaic Artist

Jayne loves to capture nature, landscapes, geometric shapes in the bright colours of stained glass. Using the images of everyday life and of Australia's beautiful scenery.

Jayne makes glass art which speaks to her by capturing an image of light. The challenge in stained glass art is to select complementary colours and textures of glass to produce art which moves and brings joy.

### Artist Statement

Jayne Boardman lives in North Rocks NSW and has been using glass for 26 years to express her creativity.

Developing stained glass techniques since 2000 her art is always bright and colourful. Jayne is inspired by the bright colours of Australia's nature and makes stained glass pieces and mosaics items.

Jayne's creations include lamps, window hangings, sculptures, tabletops, vases, mirrors, lanterns and suncatchers. Jayne has sold many pieces at exhibitions and completes commissioned works.

Jayne's goal is to continue to express her creativity and share her work by exhibiting her art and teaching skills to others who want to express their creativity.
